Conditions of Lifelong Learner status at Binghamton University

I, the undersigned student, do *permanently waive* my right to apply for matriculation into any and all degree-granting programs at Binghamton University as a condition for taking courses at said institution beyond the 24-credit maximum allowed for non-degree study (as established by the Non-Degree Advising Office of Continuing Education & Outreach and endorsed by Binghamton University).

I understand that, by choosing to become a Lifelong Learner, I *may* continue to take courses at Binghamton University under the administrative oversight of Binghamton University's Continuing Education & Outreach.

I have been advised, and fully understand, that as a Lifelong Learner I *may not*, at some later date, petition Binghamton University and/or any of its degree-granting schools to allow my accumulated credits to apply toward a baccalaureate, master's or PhD degree from Binghamton University.
